

# TUBE TOWN FUNd RAISER

## At Cascade Mountain

---

Are you looking for a fundraising opportunity that is easy to administer and fun for the participants? Perhaps the Tube Town FUNdraiser is right for you or your organization. Invite your group to go tubing at Cascade Mountain on the weekday night you have reserved. One half of the tubing ticket sales from your group will be returned to you in the form of a check. It's fun and easy!

Step 1: Complete and return your application form

Applications are available from our Group Sales Department by calling [608-742-5588 ext. 1316](tel:608-742-5588) or by emailing [groups@cascademountain.com](mailto:groups@cascademountain.com) to reserve your Monday – Thursday night at Tube Town. We will allow one fundraising group per night.

Step 2: Receive your FUNdraiser date confirmation from us

Step 3: Start promoting your event

Step 4: Go tubing!

FUNdraiser attendees go to Tube Town at Cascade after 4pm on the appointed fundraising night. Tubing hours are from 4pm to 9pm. They present their email (which you have sent out to friends and family) to the ticket cashier and purchase their tubing tickets at regular price.

We will send 50% of the tubing tickets receipts from your group to you, in the form of a check. The amount you make from your fundraiser is determined by the number of people you can get to go tubing on your special night. We will also help by donating four snow tubing tickets if you choose to have a silent auction on that night. Those tickets can be used any day or night during the same tubing season.
